**Interviewer:** Hello, Adam, thanks for coming here today.

**Adam:** Ah, yes, I needed to get away from that noisy environment.

**Interviewer:** Excuse me.

**Adam:** Oh, my home.

**Interviewer:** Ok? Anyway, my first question for you today is, at what time of day were you born?

**Adam:** Before, Eve, of course.

*Laughing*

**Interviewer:** But that's not what I meant.

**Adam:** It works.

**Interviewer:** Next question: Why do you think God created you first?

**Adam:** To give me a chance to say something.

*Laughing*

**Adam:** By the way, do you know when the first radio was made?

**Interviewer:** No.

**Adam:** When God took my rib and made it into a loudspeaker.

*Laughing*

**Interviewer:** Do you consider yourself the most physically fit human of all time?

**Adam:** Well I am first in the human race.

*Laughing*

**Interviewer:** Adam, do you have any stories or advice for us in this age?

**Adam:** Well, one time Eve asked me, "Adam, do you love me." My response was, "Who else?"

*Laughing*

**Show Host:** Thank you, everyone, for joining us on today's Bible Comedy Show.
