

# David Comedy Skit

**Jen:** Hello!

**Ben:** Hi!

**Jen:** Hello!

**Ben:** Hi!

**Jen:** Hey! I wanted to get the last word in Ben!

**Ben:** Last word.

**Jen:** Humph.

**Ben:** Aren't we supposed to be doing a comedy show Jen?

**Jen:** Uuuuuuu, yeah Ben. *Bible* comedy.

**Ben:** Let's talk about King David!

**Jen:** You mean that madman?

**Ben:** Noooooo.

**Jen:** Well, when he was in the court of the Philistines he was acting like this.

*Jen proceeds to act like a lunatic.*

**Ben:** Oh yeah! That guy! He was the greatest babysitter in the bible.

**Jen:** Now *you're* the lunatic, Ben.

**Ben:** No I'm not. He rocked Goliath to sleep.

**Jen:** You think you're cocky! Well here's one for you. If Goliath was still alive today would you tell him David was the greatest babysitter in the bible?

**Ben:** Probably, he might get a laugh out of it.

**Jen:** No, he wouldn't, because he already *fell* for it once.

**Ben:** Hahaha! Wait, was David really a madman?

**Jen:** Ok... maybe I stretched that a little bit, he only acted like that to escape execution by the evil Philistines.

**Ben:** Where did he go after that?

**Jen:** He escaped to a cave.

**Ben:** He's a hobbit too!?! Hiding in holes!

**Jen:** What! No!

**Ben:** He's a mentally disturbed, babysitting, hobbit?!?

**Jen:** No! He's a respectable, after God's own heart, brave king!

**Ben:** This conversation has gone off the wheels.

**Jen:** Wheels?

**Ben:** It sounds like rails...

**Jen:** Goodbye, sly guy.

**Ben:** Not too soon lemon spoon. Lagoon? Or was it indecipherable moons?

**Jen:** It's baboon you baboon!

**Ben:** Fine, I'll make one up Jen. Don't fall off a precipice and die like evil queen Jezebel!

**Jen:** Ben!!!
